

HOURGLASS is a UK-wide charity dedicated to calling time on the harm, abuse and exploitation of older people.

We promote safer ageing and a fairer society for all older people, delivering a range of support services from prevention and early intervention, right through to direct support and recovery.

We're looking for motivated volunteers who want to use their skills and passion to empower older people to lead happier and safer lives. Opportunities include:

- Taking calls on our Helpline
- Providing check-in calls
- Visiting clients in their homes
- Raising awareness and supporting community events
